International Lewy Body Dementia Conference

June 24-26, 2019

Caesars Palace, Las Vegas, Nevada

This conference is a forum for research scientists, clinicians, and other health care professionals to share the latest information from each of their disciplines. In addition to highlighting the progress made in the various areas of research, this conference will provide an opportunity for patients and caregivers to be exposed to new knowledge and to interact with researchers, clinicians and other patients and caregivers.

Target Audience

Health Care Professionals: Family Practice, Internal Medicine and Subspecialties, Neurology, Pathology, Psychology/Psychiatry, Allied Health Professional/Social Worker, CRNA (Certified Registered Nurse Anesthetist), Corporate Counselor, Nurse, Nurse Practitioner, PhD, Physician Assistant, Professor, Researcher, Resident/Fellow, Scientist, Student.

Corporate Professionals: Medical Investigator, Medical Science Liaison, and other related corporate positions.

Patients and Caregivers: Individuals and family members of those who have been diagnosed with Lewy Body Dementia.

Learning Objectives

- List the core clinical features of LBD
- Identify the key findings of LBD based on neuropsychological assessment and neuroimaging studies
- Identify the differences between LBD and other forms of dementia and discuss the clinical and pathological overlap between these disorders
- Explain drug and non-drug options for managing patients with LBD
- Articulate what resources or information may be the most critical for patients and families dealing with LBD

Topic Areas

All medical professionals and trainees (including fellows, residents, and medical students) are encouraged to submit clinical and/or research abstracts. The ILBDC planning committee encourages abstracts with appeal to either scientists and medical professionals or patients and caregivers. Possible topics include:

Scientific track:

- Diagnostic criteria
- Imaging
- Therapeutics
- Neuropathology and Biomarkers
- Genetics
- Controversies

Patient & Caregiver track:

- DLB vs. PDD
- Diagnostic criteria
- Neurological causes
- Symptom management
- Evidence-based therapies

*To submit an abstract, visit: <https://ccf.infoready4.com/>
Scroll to the bottom of the landing page and select "International Lewy Body Dementia Conference."*

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 18.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

The Ohio Board of Nursing will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval. Nurses are able to obtain CE that has been approved or provided by a nationally recognized accreditation system of continuing education.

Allied Healthcare Providers attending the Patient & Caregiver track will receive AMA PRA Category 1 Credits for Sessions 1 & 2.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act.

If you need assistance, please notify Shana Spade at 216.444.9380 at least two weeks prior to the activity.
